15th Annual Report 2021-2022

NOTES:

1. As you are aware about the continuous rising situation of the Covid-19 pandemic, social distancing is a norm to be followed. Accordingly, the Ministry of Corporate Affairs ("MCA") vide its General Circular Nos. 14/ 2020 dated April 8, 2020, 17/ 2020 dated April 13, 2020, 20/2020 dated May 5, 2020 read with General Circular Nos.02/2021 dated January 13, 2021, 19/2021 dated December 8, 2021, 21/ 2021 dated December 14, 2021 and General Circular No. 02/2022 dated May 5, 2022 (collectively referred to as "MCA Circulars") has permitted the holding of the Annual General Meeting (AGM) through Video Conferencing ("VC") or through Other Audio-Visual Means ("OAVM"), without the physical presence of the Members at a common venue. The Securities and Exchange Board of India ("SEBI") vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 read with Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 on May 13, 2022 ("SEBI Circulars") has granted relaxation in respect of sending physical copies of annual report to shareholders and requirement of proxy for general meetings held through electronic mode. In compliance with the provisions of the Companies Act, 2013 (the "Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), MCA Circulars and SEBI Circulars, the 15th AGM of the Company is being held through VC / OAVM. The deemed venue for the 15th AGM shall be the Registered Office of the Company at No.4, Karpagambal Nagar, Mylapore, Chennai 600004.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the 15th AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this 15th AGM is being held pursuant to the MCA Circulars through VC / OAVM facility, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 15th AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
3. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing's body resolution/authorization etc., authorizing their representative to attend the 15th AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the Scrutinizer by email through its registered email address to sriram@prowiscorporate.com and may also upload the same at www.evotingindia.com
4. **Brief details of Shri V.R. Venkataachalam (DIN 00037524) and Shri N. Prasanna (DIN : 01684876) is annexed hereto, as per the requirements of regulation 36(3) of the SEBI Listing Regulations and as per provisions of the Act and the Explanatory Statement pursuant to Section 102(1) of the Act and Regulation 17(1A) of SEBI (LODR) (Amendment) Regulations, 2018, in respect of the special business set out in Item nos.4, 5 and 6 of this Notice is annexed and forms part of this Notice.**
5. M/s NSR & Co., Chartered Accountants, (Firm Registration No.010522S), the auditors of the company, retire at the conclusion of the ensuing Annual General Meeting after completing single term of five consecutive years. Though they are eligible to be re-appointed for a further term of five consecutive

Binny Mills Limited

years as specified in section 139 (2) of the Companies Act, 2013, they have indicated that they do not wish to seek re-appointment for the second term. The Board of Directors hereby recommend to appoint M/s. Ramesh & Ramachandran, Chartered Accountants, Chennai (Firm Registration No.002981S) as the auditors of the Company (in the place of M/s. NSR & Co., Chartered Accountants, Chennai, (Firm Registration No. 010522S), the retiring auditor, whose tenure expires at the conclusion of the ensuing Annual General Meeting). The appointment of new auditor is made pursuant to the provisions of Sections 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force) and pursuant to the recommendation of the Audit Committee and the Board of Directors.

6. Notice is also given that pursuant to section 91 of the Companies Act, 2013 and Rule 10 of the Companies (Management and Administration) Rules, 2014, as amended, that the **Register of Members and the Share Transfer Books of the Company will remain closed from Saturday, 24th September 2022 to Friday, 30th September 2022 (both days inclusive)** for the purpose of the 15th Annual General Meeting.
7. The facility of joining the 15th AGM through VC/OAVM will be opened 15 minutes before and will be open up to 15 minutes after the scheduled start time of the 15th AGM, i.e., from 02.45 p.m. to 03.15 p.m. and will be available for 1,000 members on a first-come first-served basis. This rule, however, would not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, auditors, etc.
8. In terms of sections 101 and 136 of the Act read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards' report, etc. by electronic mode. In compliance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the 15th AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report for F.Y. 2021-22 will also be available on the Company's website www.bmlindia.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of CDSL (agency for providing the Remote e-voting facility and e-voting system during the AGM) viz., www.evotingindia.com.
9. Further, those Members who have not registered their email addresses may temporarily get themselves registered with Company's Registrar and Share Transfer Agent, M/s Cameo Corporate Services Ltd by clicking the link: <https://investors.cameoindia.com>, fill in the details and submit for receiving the Annual Report for F.Y. 2021-22 also containing the Notice of the AGM. However, shareholders holding shares in demat form may get their e-mail address registered or updated with their Depository Participant.
10. Members attending the 15th AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
11. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on 23rd September 2022 being the Cut-off Date.
12. Any person, who acquires shares of the Company and becomes a Member after dispatch of the Notice, but holds shares as on the Cut-off Date for remote e-voting i.e. 23rd September 2022, may obtain the login id and password by sending a request to CDSL at www.evotingindia.com or to the RTA at investors@cameoindia.com.

15th Annual Report 2021-2022

13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the 15th AGM.

22. As provided in Rule 18(2) of the Companies (Management & Administration) Rules, 2014, **the notice of the meeting has been sent by e-mail to those shareholders whose registered e-mail address is available with the Company.**
23. Regulation 36(1)(a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, provides that a listed company shall send soft copies of full annual report to all those shareholders who have registered their e-mail address for the purpose. Accordingly, **the Company has sent by e-mail the soft copy of the Annual Report to those shareholders whose registered e-mail address is available with the Company.**
24. The Annual Report of the Company sent to the members will be made available on the Company's website www.bmlindia.com. The physical copies of the documents pertaining to the items of business transacted at the Annual General Meeting will be available for inspection at the Registered Office of the Company during normal business hours on working days.
25. Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, provide that every listed company shall provide to its members facility to exercise their right to vote at general meetings by electronic means. A member may exercise his right to vote at any general meeting by electronic means and company may pass shareholders' resolutions by electronic voting system (e-voting) in accordance with the aforesaid provisions.
26. The members may exercise their right to vote on the resolutions to be passed at this Annual General Meeting by remote e-voting. The Company may pass shareholders' resolutions by remote e-voting in accordance with the aforesaid provisions.
27. The Board of Directors has appointed Shri P. Sriram, Practising Company Secretary (Membership No. FCS 4862), Chennai, as the Scrutinizer for conducting the electronic voting (e-voting) process in accordance with the provisions of the Act and Rules made there under in a fair and transparent manner and he has consented to act as such.
28. **Voting by remote e-voting or by e-voting system on the day of the 15th AGM:**

The business set out in this Notice shall be conducted through electronic means by remote e-voting. 'Remote e-voting' means the facility of casting votes by a member using an electronic voting system from a place other than the venue of the 15th Annual General Meeting.

In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Ministry of Corporate Affairs Circulars No.14/2020 dated 8th April 2020, No.17/2020 dated 13th April 2020 and No.20/2020 dated 5th May 2020 read with General Circular Nos. 02/2021 dated January 13, 2021, 19/2021 dated December 8, 2021, 21/2021 dated December 14, 2021 and General Circular No. 02/2022 dated May 5, 2022, the Company is pleased to provide to its members the facility to exercise their right to vote on the resolutions set out in the Notice for the 15th Annual General Meeting by remote e-voting. Please note that only remote e-voting facility is provided. Since the AGM is held through Video Conferencing (VC) / Other Audio Visual Means (OAVM), the facility for voting through ballot paper

shall not be made available at the meeting venue as members are not required to be physically present at the AGM Venue. Members attending the meeting through VC / OAVM and who have not already cast their vote by remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system available during the 15th AGM.

For the purpose of remote e-voting, the Company has entered into an agreement with the Central Depository Services (India) Ltd (CDSL) for facilitating e-voting, as the authorised e-voting agency, to enable the shareholders to cast their votes electronically. The facility of casting votes by a member using remote e-voting as well as through the e-voting system on the day of the AGM will be provided by CDSL.

The process and manner of remote e-voting, e-voting during the AGM, the time schedule and the time period during which votes may be cast by remote e-voting, details about the log-in ID and the process and manner of generating or receiving the password and for casting of vote in a secure manner:

I. The procedure and instructions for the voting through remote e-voting are as follows:

- (i) The remote e-voting period begins on **27th September 2022 at 09:00 A.M.** and ends on **29th September 2022 at 05:00 P.M.** During this period members of the Company, holding shares either in physical form or in dematerialized form, **as on the cut-off date of 23rd September 2022**, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the member, he shall not be entitled to change it subsequently or cast the vote again.
- (ii) The Company provides only remote e-voting facility and those members who have not cast their vote by remote e-voting by **29th September 2022 at 05:00 P.M.** shall not be entitled to vote by remote e-voting thereafter but may vote through the e-voting system on the day of the AGM.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories

Binny Mills Limited

and Depository Participants. Shareholders are advised to update their mobile number and email id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. 15th Annual Report 2021-2022

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS (PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013)

Item no. 4: Regularization of Shri. N. Prasanna (DIN: 01684876) as Director of the company.

Shri. N. Prasanna [DIN: 01684876], on the recommendation of the Nomination and Remuneration Committee was appointed as an Additional Director with effect from 13th August 2022 by the Board in accordance with the Article 87 of the Articles of Association and Section 161 of the Companies Act 2013 ("the Act"). As per Section 161 of the Act, Shri. N. Prasanna holds office up to the date of the ensuing Annual General Meeting on 30th September 2022. However, in order to regularize his appointment as a Director the approval of the members of the Company are sought.

Shri. N. Prasanna possess the requisite knowledge, experience and skill for the position of Director. As a young entrepreneur, his appointment as a Director will improve and contribute more towards growth and development of the company. In this regard, pursuant to the recommendation made by the Nomination and Remuneration committee, the Board of Directors at their meeting held on 13th August 2022 appointed him as the Additional Director of the Company with effect from 13th August 2022 and accorded to seek the approval of the shareholders for appointment as a Director of the Company, non-executive non-independent. He will not be entitled for any remuneration as per the Company policy.

Item no. 5 and 6: Approval of grant of loan to TCP Limited pursuant to Sections 185 and 186 of Companies Act, 2013 and approval of grant of loan to TCP Limited under Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Section 185 of the Act has been amended vide Companies (Amendment) Act, 2017, and the same was notified by the Ministry of Corporate Affairs on 7th May, 2018. In terms of the amended Section 185 of the Act, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the Director of the Company is interested subject to the condition that approval of the shareholders of the Company is obtained by way of Special Resolution and requisite disclosures are made in the Explanatory Statement.

Pursuant to the provisions of Section 186(2) of the Act, the Company shall not directly or indirectly: - (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is higher.

Pursuant to the provisions of Section 186(3) of the Act, where the giving of any loan or guarantee or providing any security or the acquisition of securities exceeds the limits specified in Section 186(2) of the Act, prior approval by means of a Special Resolution passed at a General Meeting is necessary.

As per Regulation 23 of SEBI LODR, a Material Related Party Transaction requires approval of the members of the company through a resolution.

The members at their meeting held on 17.05.2022 approved the loan amount to the extent of Rs. 5,00,00,000/- (Rupees Five Crores Only) to TCP Limited in one or more tranches, at the interest rate of 10% for a term of 3 years and further it is proposed to increase the said loan amount to an extend of

Binny Mills Limited

Rs. 10,00,00,000/- (Rupees Ten Crores Only), to be lent to TCP Limited, in one or more tranches, at the interest rate of 10% for a term of 3 years which will be used by the borrowing company for the purpose of its principal business activities only and with such other terms and conditions as agreed between the Company and TCP Limited.

The Audit Committee of the Company, at its meeting held on 13th August 2022, was pleased to approve the proposed loan, subject to approval of the Board of Directors and fulfilment of other requirements, if any. Further, the Board of Directors of the Company, at its meeting held on 13th August 2022, was pleased to approve the proposed loan, subject to the approval of the members of the Company and other requisite approvals and requirements, if any.

In this regard the Board at its meeting held on 13th August 2022 decided to seek approval of the members by way of Special Resolution pursuant to Section 185 and 186 of the Act for granting loan(s) to TCP Limited in whom any of the Director(s) of the Company is interested, and by way of ordinary resolution pursuant to Regulation 23 of SEBI (LODR) Regulations, 2015, as may be required from time to time and as the quantum of the loan exceeds the prescribed threshold limit.

The Members may note that Board of Directors would carefully evaluate proposals and provide such loan from time to time, only for principal business activities and such other matters connected and incidental thereto of such company.

Except Directors Shri. V. R. Venkataachalam, Shri.V. Rajasekaran, Shri. V. Sengutuvan, Smt. V. Samyuktha, none of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested in the said resolution.

The Board is of the opinion that the proposed loan is in the best interests of the Company, and therefore, recommends the Resolutions set out in the Notice for the approval of the members.

By Order of the Board of Directors

Smt B. Meenakumari	1,000
Total	28,14,18,142

Preference share dividend is payable on the CRPS from the date of original allotment of shares by Binny Ltd. The holders of the CRPS have preferential right to dividend over the equity share holders, as and when dividend is declared by the company.

15th Annual Report 2021-2022

In accordance with the Ind AS requirements, the Paid-up Preference Share Capital on the 9% Cumulative Redeemable Preference Shares of Rs.140,70,90,710/- which was earlier classified as Share Capital has now been reclassified as Borrowings as Financial Liabilities under Non-current liabilities.

Pursuant to this classification, the preference dividend amount of Rs.12,66,38,164/- has been charged to Profit and Loss statement as Finance Cost for the year ended 31st March 2022 as against the amount of Rs.12,66,38,164/- in the previous year ended 31st March 2021.

The amount of Preference dividend payable has increased from Rs. 17,590.20 lakhs in the previous year to Rs.18,856.58 lakhs in the current year.

Since the Company has incurred loss, the company cannot pay dividend this year. Hence, the company is not recommending preference dividend this year.

DIVIDEND ON EQUITY SHARES

The company is not recommending dividend on the equity shares for this year.

COMPANY'S PERFORMANCE

Considering the difficult macro-economic conditions and challenging business environment, the Company's performance during the year under review was satisfactory.

FUTURE PLANS

The Company has plans to improve its sales performance in the Textile Division by focusing on whole sale customers while retaining the existing retail customers. The Company has plans to procure bulk orders for its textile division in order to improve the sales and profit. The Company has plans to attract new customers for its retail textile sale.

ECONOMIC AND BUSINESS ENVIRONMENT

Post-pandemic effect:

The Covid-19 pandemic created a huge impact on the livelihoods of the people. For more than two year this pandemic has taken its toll on not just human life, but business and financial markets too, the extent of which is undefinable. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures.

The turmoil created from constant recurring waves of the COVID-19 pandemic have come in the way of sustained growth recovery in India. The second wave begin during the period of first quarter of the FY 2021-22. The impact of second wave was quite high as there was a widespread of the virus and increase in number of cases but was not as high as the first wave. The Government of India imposed lockdown on 6th May of 2022 which was extended up to a month. During this period the GDP fell 8.3 percent which is lower than the pre-pandemic level. The third wave begin in December 2021 but comparatively had a smaller impact than the previous waves and started to subside during January 2022. The post-pandemic new normal may be very different from the pre-pandemic situation. No strict and complete lockdown was imposed thereafter.

The Government of India, the Reserve Bank of India and other regulators have announced various measures and relaxations acknowledging the pandemic led situation to ensure that there is enough liquidity in the hands of market participants.

Vaccination and recovery:

India commenced the vaccination process on 16th January 2021. India has strengthened its vaccination drive by initiating precaution doses and vaccination in the wake of the recent surge in new variants-led cases. The recovery rate improved steadily since June 2021. Post second wave, there was a decline in new cases registration.

Despite being affected by three Covid-19 waves, the Indian economy has recovered strongly. Though number of new cases being reported every day, India managed to recover from the post pandemic situation and keep imposing measures for handling the current Covid situation.

The RBI announced various measures to tackle the economic impact and consequence of the Covid-19 pandemic.

Russia – Ukraine war:

The Ukraine – Russia war is another such event that has left a huge impact on the Indian economy and financial system which begun during January 2022. There conflict has definitely affected the GDP growth of India. There has been a huge increase in prices of oils which is an everyday commodity used globally as countries including India imports oils from Russia. The rise in crude oil prices will increase the inflation of the country. According to RBI, inflation in the F.Y. 2022-23 is expected to be 4.5%. The rise in commodity prices such as fuels, edible oil, metals, domestic products and various other products are the key indicators to identify the increase in inflation.

OUTLOOK AND OPPORTUNITIES

After enforcing multiple lockdowns, unlock has been into implementation since June 2021 in multiple phases. The Government had laid focus on relief measures including capacity built up of medical facilities to face pandemic, vaccination centers to control its spread and saving human life, free distribution of food grains and cereals, transport facility and extra funds for healthcare and for the states, to sector related incentives and many more.

Atmanirbhar Bharat Abhiyaan or Self-reliant India campaign is the vision of new India envisaged by the Hon'ble Prime Minister. This was adapted in the year 2020. The Finance Minister further announced Government Reforms across various sectors under Aatmanirbhar Bharat Abhiyaan. The government took several reforms such as Supply Chain Reforms for Agriculture, Rational Tax Systems, Simple & Clear Laws, Capable Human Resource and Strong Financial System.

The Reserve Bank of India maintained and continued to have a supportive stand with regard to monetary policy aiming at diminishing the impact of Covid-19 pandemic, recuperate the growth and maintaining the inflation within level.

(Pursuant to section 178 (4) of the Companies Act, 2013)

Constitution of Nomination and Remuneration Committee

Section 178 of the Companies Act, 2013 read with Rule 6 of Companies (Meetings of Board and its Powers) Rules, 2014 and the provisions of Regulation 19 and Part D of Schedule II of the Listing Regulations requires the Board of Directors of every listed company to constitute the Nomination and Remuneration Committee. The Nomination and Remuneration Committee shall consist of three or more non-executive directors out of which not less than one-half shall be independent directors. The Chairperson of the Nomination and Remuneration Committee shall be an independent director.

Principle and Rationale:

The Role of the Nomination and Remuneration Committee shall be as follows:

- Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
- Identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal.
- Carry out evaluation of every director's performance.
- Formulate the criteria for evaluation of performance of Independent Directors and the Board.
- Whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of Independent Directors.

Accordingly, in adherence to the above said requirements and in line with the Company's philosophy towards nurturing its human resources, the Nomination and Remuneration Committee of the Board of Directors of Binny Mills Limited herein below recommends to the Board of Directors for its adoption the Nomination and Remuneration Policy for the directors, key managerial personnel and other employees of the Company as set out below:

Company Philosophy:

Binny Mills Ltd is an organisation committed to paying fair remuneration to its employees matching the responsibilities and performance. The organisation does not discriminate on grounds of age, gender, colour, race, ethnicity, language, caste, creed, economic or social status or disability. The Company's committed workforce, spread across its corporate office and factory locations, which has, over the years, transformed Binny Mills Ltd into a consistent growing organisation, forms the backbone of the Company.

Pay revisions and other benefits are designed in such a way to compensate good performance of the employees of the Company and motivate them to do better in future.

Binny Mills Limited

Employee recognition schemes in the form of Production incentive and Service award have also been introduced as successful tools in acknowledging their contribution.

The endeavour of the company is to acknowledge the contributions of its directors, key managerial personnel and other employees with best compensation and benefits that appropriately rewards performance in line with the regulatory and industry best practices.

Guiding Principles:

In the formulation of this Policy, the Nomination and Remuneration Committee has also endeavoured to ensure the guiding principles as prescribed u/s 178(4) of the Companies Act, 2013 and Part D of Schedule II of the Listing Regulations, are summarized hereunder:

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate human resource including directors of the quality required to run the company successfully;
- b) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
- c) Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals;
- d) Facilitating effective shareholder participation in key Corporate Governance decisions such as the nomination and election of board members;
- e) Aligning key executive and board remuneration with the longer term interests of the company and its shareholders;
- f) Ensuring a transparent board nomination process with the diversity of thought, experience, knowledge, perspective and gender in the Board.

Nomination of the Directors:

The Nomination and Remuneration Committee of the Board of Directors is dedicated to ensuring the continuance of a dynamic and forward-thinking Board and recommend to the Board qualified candidates for directorship.

Before recommending a nominee's candidature to the Board for being appointed as a Director, the following criteria set out may be applied as guidelines in considering potential nominees to the Board of Directors.

General Criteria

- a) The background and qualifications of the Directors considered as a group should provide a significant combination of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities.
- b) Directors should be so selected such that the Board of Directors should remain as a diverse body, with diversity reflecting gender, ethnic background and professional experience. Because a mix of viewpoints and ideas enhances the Board's ability to function effectively, the Committee shall consider the diversity of the existing Board when considering potential nominees, so that the Board maintains a body of directors from diverse professional and personal backgrounds.
- c) Potential nominees shall not be discriminated against on the basis of race, religion, national origin, sex, disability, or any other basis prohibited by law.

15th Annual Report 2021-2022

- d) Any nominee should be free of any conflict of interest which would violate any applicable law or regulation or interfere with the performance of the responsibilities of a director.
- e) Commitment of the nominee to understanding the Company and its industry, embracing the Company's values to help shape its vision, mission and strategic direction including oversight of risk management and internal control.
- f) Commitment of the nominee to spending the time necessary to function effectively as a Director, including attending and participating in Board meetings and its Committee meetings.

Specific Criteria

- a) Demonstrated business acumen, experience and ability to use sound judgment and to contribute to the effective oversight of the business and financial affairs of a large or medium sized, multifaceted, Indian Company.
- b) The nominee reflects the right corporate tone and culture and excels at board-management relationships.
- c) Experience in strategic planning and managing multidisciplinary responsibilities, the ability to navigate among diverse professional groups and points of view, a track record of communicating effectively in a global environment, and high standards of integrity and professional conduct.
- d) Nominees understand and endeavour to balance the interests of shareholders and / or other stakeholders and put the interests of the company above self-interest. He/she has demonstrated a commitment to transparency and disclosure.
- e) He/ she is committed to superior corporate performance, consistently striving to go beyond the legal and/or regulatory governance requirements to enhance, not just protect, shareholder value.
- f) Nominee contributes to effective governance through superior, constructive relationships with the Executive Directorate and management.

Remuneration of the Directors:

The Company strives to provide fair compensation to directors, taking into consideration industry benchmarks, Company's performance vis-à-vis the industry, responsibilities shouldered, performance/ track record, macroeconomic review on remuneration packages of heads of other similar sized companies.

The remuneration payable to the directors of the company, shall at all times be determined, in accordance with the provisions of Companies Act, 2013.

Appointment and Remuneration of Managing Director and Whole time- Director:

The terms and conditions of appointment and remuneration payable to the Managing Director and the Whole-time Director(s) shall be recommended by the Nomination and Remuneration Committee to the Board for its approval which shall be subject to approval by shareholders at the next general meeting of the Company and by the Central Government in case such appointment is at variance to the conditions specified in Schedule V to the Companies Act, 2013. Approval of the Central Government is not necessary if the appointment is made in accordance with the conditions specified in Schedule V to the Act.

In terms of the provisions of Companies Act, 2013, the Company may appoint a person as its Managing Director or Whole-time Director for a term not exceeding 5 (years) at a time. The executive directors may be paid remuneration either by way of a monthly payment or at a specified percentage of the net profits of the Company or partly by one way and partly by the other.

Binny Mills Limited

The break-up of the pay scale, performance bonus and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and shall be within the overall remuneration approved by the shareholders and Central Government, wherever required.

While recommending the remuneration payable to a Managing/ Whole-time Director, the Nomination and Remuneration Committee shall, inter alia, have regard to the following matters:

- * Financial and operating performance of the Company
- * Relationship between remuneration and performance
- * Industry/ sector trends for the remuneration paid to similar executives.

Annual Increments to the Managing/ Whole Time Director(s) shall be within the slabs approved by the Shareholders. Increments shall be decided by the Nomination and Remuneration Committee at times it desires to do so but preferably on an annual basis.

Insurance Premium as Part of Remuneration:

Where any insurance is taken by a company on behalf of its managing director, whole-time director, manager, Chief Executive Officer, Chief Financial Officer or Company Secretary for indemnifying any of them against any liability in respect of any negligence, default, misfeasance, breach of duty or breach of trust for which they may be guilty in relation to the company, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

However, if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

Remuneration of Independent Directors:

Independent Directors may receive remuneration by way of

- * Sitting fees for participation in the Board and other meetings
- * Reimbursement of expenses for participation in the Board and other meetings
- * Commission as approved by the Shareholders of the Company

Independent Directors shall not be entitled to any stock options

Based on the recommendation of the Nomination and Remuneration Committee, the Board may decide the sitting fee payable to independent directors. Provided that the amount of such fees shall not exceed the maximum permissible under the Companies Act, 2013.

Remuneration to Directors in other capacity:

The remuneration payable to the directors including managing or whole-time director or manager shall be inclusive of the remuneration payable for the services rendered by him in any other capacity except the following:

- (a) The services rendered are of a professional nature; and
- (b) In the opinion of the Nomination and Remuneration Committee, the director possesses the requisite qualification for the practice of the profession.

Evaluation of the Directors:

As members of the Board, the performance of the individual Directors as well as the performance of the entire Board and its Committees is required to be formally evaluated annually.

Section 178 (2) of the Companies Act, 2013 also mandates the Nomination and Remuneration Committee to carry out evaluation of every director's performance.

In developing the methodology to be used for evaluation on the basis of best standards and methods meeting international parameters, the Board / Committee may take the advice of an independent professional consultant.

Nomination and Remuneration of the Key Managerial Personnel (other than Managing / whole time directors), key executives and senior management:

The executive management of a company is responsible for the day to day management of a company. The Companies Act, 2013 has used the term "key managerial personnel" (KMP) to define the executive management.

The KMPs are the point of first contact between the company and its stakeholders. While the Board of Directors are responsible for providing the oversight, it is the key managerial personnel and the senior management who are responsible for not just laying down the strategies but for its implementation as well.

The Companies Act, 2013 has, for the first time, recognized the concept of Key Managerial Personnel. As per section 2(51) "key managerial personnel", in relation to a company, means—

- (i) The Chief Executive Officer or the managing director or the manager;
- (ii) The whole-time director;
- (iii) The Chief Financial Officer;
- (iv) The company secretary; and
- (v) Such other officer as may be prescribed.

Among the KMPs, the remuneration of the CEO or the Managing Director and the Whole time Director(s), shall be governed by the Section on **Remuneration of the Directors** of this Policy dealing with "Remuneration of Managing Director and Whole time- Director".

Apart from the directors, the remuneration of

- * All the Other KMPs such as the company secretary or any other officer that may be prescribed under the statute from time to time; and
- * "Senior Management" of the Company defined in the clause 49 of the Listing Agreement with the Stock Exchanges i.e. personnel who are members of its core management team excluding the Board of Directors. Senior executives one level below the Board i.e. President cadre

Shall be determined by the Human Resources Department of the Company in consultation with the Managing Director and/ or the Whole time Director.

The remuneration determined for all the above said senior personnel shall be in line with the Company's philosophy to provide fair compensation to key - executive officers based on their performance and contribution to the Company and to provide incentives that attract and retain key executives, instill a long-

Binny Mills Limited

term commitment to the Company, and develop a pride and sense of Company ownership, all in a manner consistent with shareholder interests.

The break-up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided by the Company's HR department.

Decisions on Annual Increments of the Senior Personnel shall be decided by the Human Resources Department in consultation with the Managing Director and/ or the Whole time Director of the Company.

Remuneration of other employees:

Apart from the Directors, KMPs and Senior Management, the remuneration for rest of the employees is determined on the basis of the role and position of the individual employee, including professional experience, responsibility, job complexity and local market conditions.

The Company considers it essential to provide incentives to the workforce to ensure adequate and reasonable compensation to the staff. The Human Resources Department shall ensure that the level of remuneration motivates and rewards high performers who perform according to set expectations for the employee.

The various remuneration components, basic salary, allowances, perquisites etc. may be combined to ensure an appropriate and balanced remuneration package. The annual increments to the remuneration paid to the employees shall be determined based on the annual appraisal carried out by the Head of Departments of various departments.

Decisions on Annual Increments shall be made on the basis of this annual appraisal.

General:

This Policy shall apply to all future employment of Company's Senior Management including Key Managerial Personnel and Board of Directors.

Any or all the provisions of this Policy would be subject to the revision/ amendment in the Companies Act, 2013, related rules and regulations, guidelines and the Listing Agreement on the subject as may be notified from time to time.

Any such amendment shall automatically have the effect of amending this Policy without the need of any approval by the Nomination and Remuneration Committee and/ or the Board of Directors.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(Pursuant to regulation 34(2) (e) and Schedule V of the Listing Regulations)

This report is part of the Directors' Report

Indian Economy, Covid-19 Pandemic, Lockdown and post-pandemic effect

The Indian economy grew at 8.7 per cent in 2021-22 when compared to 7.3 per cent decrease registered in 2020-21 due to the on-going Covid-19 pandemic and post pandemic effect which adversely affected the economic activity of the Country in the last fiscal year. However the economy bounced back with a force and grew at 8.7%.

India's GDP dropped by 20.1% in the first quarter of Financial year 2021-22 i.e. April-June 2021. Further in the second quarter July-September 2021, the economy further reduced by 8.4%. While in the third and fourth quarters i.e. October 2021-March 2022 there was a decline in recovery with GDP decreasing from 5.4% to 4.1% respectively. However the overall rate of contraction in India was 8.7% for the Financial Year 2021-22.

During the year 2021-22 the agriculture sector and other related sectors have shown a positive growth of 3.9% when compared to last fiscal year 2020-21 at 3.6%. The share of agriculture in GDP in the FY 2021-22 is 18.8% and 20% in 2020-21.

The Service sector contributes over 50% of India's GDP. Due to the pandemic, during 2020-21, the service sector suffered severe contraction. Thus reducing its contribution to GDP. However during the second wave of F.Y. 2021-22 Q2, the service sector started recovering except some segments. Within the services sector, the effect of Covid-19 on different segments has been varied. While services such as communication, computer, financial, professional, information, remote services and business services have remained reasonably resistant. The impact of Covid was severe on contact based services such as tourism, retail trade, hotel, entertainment, transport, etc.

India's Merchandise imports and exports showed a growth of 54.71% and 43.18% during the F.Y. 2022-23 as compared with F.Y. 2021-22. India's trade deficit widened to 87.5% in F.Y. 2021-22.

Sector-wise, the services sector, including computer services, communication services and financial services, accounted for a major share of FDI equity in India during 2021-22, followed by the manufacturing sector, retail and wholesale trade, education, and R&D.

The pandemic led to collapse of demand across both urban and rural areas from March 2020. The biggest blow from the pandemic has been to private consumption, which accounts largely of domestic demand. The nationwide lockdown paralyzed economic and social activities and resulted in severe blow to economy.

The Covid-19 pandemic created a huge impact on the livelihoods of the people. For more than two year this pandemic has taken its toll on not just human life, but business and financial markets too, the extent of which is undefinable. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures.

The turmoil created from constant recurring waves of the COVID-19 pandemic have come in the way of sustained growth recovery in India. The second wave began during the period of first quarter of the F.Y. 2021-22. The impact of second wave was quite high as there was a widespread of the virus and

15th Annual Report 2021-2022

increase in number of cases but was not as high as the first wave. The Government of India imposed lockdown on 6th May of 2022 which was extended up to a month. During this period the GDP fell 8.3 percent which is lower than the pre-pandemic level. The third wave began in December 2021 but was comparatively had a smaller impact than the previous waves and started to subside during January 2022. The post-pandemic new normal may be very different from the pre-pandemic situation. No strict and complete was imposed thereafter.

The Government of India, the Reserve Bank of India and other regulators have announced various measures and relaxations acknowledging the pandemic led situation to ensure that there is enough liquidity in the hands of market participants.

Vaccination and recovery:

India commenced the vaccination process on 16th January 2021. India has strengthened its vaccination drive by initiating precaution doses and vaccination in the wake of the recent surge in new variants-led cases. The recovery rate improved steadily since June 2021. Post second wave, there was a decline in new cases registration.

Despite being affected by three Covid-19 waves, the Indian economy has recovered strongly. Though number of new cases being reported every day, India managed to recover from the post pandemic situation and keep imposing measures for handling the current Covid situation. Vaccination played an important role in reducing the number of deaths, restoring confidence in the economy, and decreasing the effects of the constant Covid waves on India's economy.

The Government of India introduced various measures for tackling the situations. The RBI announced various measures to tackle the economic impact and consequence of the Covid-19 pandemic.

Russia – Ukraine war:

The Ukraine – Russia war is another such event that has left a huge impact on the Indian economy and financial system which began during January 2022. The conflict has definitely affected the GDP growth of India. There has been a huge increase in prices of oils which is an everyday commodity used globally as countries including India imports oils from Russia. The rise in crude oil prices will increase the inflation of the country. According to RBI, inflation in the F.Y. 2022-23 is expected to be 4.5%. The rise in commodity prices such as fuels, edible oil, metals, domestic products and various other products are the key indicators to identify the increase in inflation.

Opportunities and threats and Industry Structure and developments

The Company is engaged in retail sale of textile products. The Company's future relies on the Textile industry's growth.

Government Initiatives

The government has initiated special measures to help improve the conditions in textile sector due to Covid-19 pandemic and post pandemic effect, to boost production, marketing and job opportunities in the sector.

Binny Mills Limited

The Honourable Finance Minister highlighted the Government's vision and thought to build Atmanirbhar Bharat (Self-Reliant India) to spur growth in this tough time. FM announced different measures including MSMEs and NBFCs.

The Reserve Bank of India took measures to augment systemic liquidity, tightened asset and liability management framework, eased flow of funds by relaxing external commercial borrowings (ECB) guidelines and strengthened governance and risk management structures.

Textile Industry – Structure and Developments:

The Indian Textile sector during the first quarter of the financial year 2021-22, recorded an increase of about 41% when compared to the corresponding quarters of previous financial year 2020-21. Though there was a steep fall during the FY 2020-21 due to the pandemic, the textile sector bounce back by registering a trade surplus with exports being higher than imports.

Ministry of Textiles has been allocated Rs 12,382.14 crores for FY 2022-23 in comparison to Rs 11,449.32 cores in revised budget estimates of FY 2020-21. This is an increase of which is about 8.1 per cent higher than the previous budget.

One of the main reasons for the slump in demand for the textile industry has been the rapidly falling consumption pattern of the middle class and the rural belts. The budget has opened avenues to boost purchasing power.

The textile industry has been one of the leading employment generators in our country. With easing up business operations and aiding technological developments, the Government has opened up other avenues for indigenous manufacturers.

Threats perceived:

The biggest threat to the Indian Textile Industry is the entry of low quality products of cheap prices from other countries. Textile Industry is very labour intensive one where job creation happens. What we have to see is the labour reforms, especially in a sector that is manpower-intensive. We need to have competitiveness in terms of costs as well. We are dependent a lot of natural fibers that are imported. Today, we have the highest interest rates in the world. Our power costs are not cheap either. Though the entry of products from China, the biggest competitor to Textile Industry, is banned, we have got Vietnam and Bangladesh too as a competitor. We need to get competitive towards the rest of the world. It's our competitive advantage, which we should have had, is now slipping away. Further, the unexpected Novel Corona was also a big threat to the industry reducing the sales and market. The Covid-19 pandemic created a huge impact on the production and sales of the industry.

The sector has the capability to grow and create more jobs. Competitiveness is a big challenge faced in both garments as well as in the manufacturing fabric space. These are the sectors that need a positive change. The other is just free trade pacts. India has to get into the global stage, as the global trade pacts are crumbling around us and we need to get more into bilateral agreements with some trading blocks and use those to our advantage because we have all the supply sources, manpower, capability, and the products. We need to unleash that power else the others would outstrip us in terms of their pace of growth.

Risks and concerns

The company is engaged in trading business. Hence, the risks associated with the stiff competition in retail textile business are the major risk for the Company. But, the company has built up reputation among the buyers and has created a brand image for its products. Hence, it is confident of mitigating the effects of the risks.

Internal control systems and their adequacy

The Company has proper and adequate internal control systems commensurate with its size and nature of operations, to provide reasonable assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly and that all applicable statutes and corporate policies are duly complied with.

Human Resources Development and Industrial Relations

The Company attaches considerable importance to Human Resource Development and harmonious industrial relations. There are senior and experienced professionals managing the operations of its divisions. The company takes all efforts to train its employees to make them a skilled employee. The overall industrial relations, during the year, were cordial.

Environmental protection

The Environmental Policy of your company is maintaining clean and green environment and ecofriendly atmosphere. Your company has been complying with applicable environmental regulations and preventing pollution in all operations. Your company continues to strive for energy saving and conservation of natural reserves.

Risk Management

Risk Management is an ongoing process. Constitution of the Risk Management Committee is not applicable to the company. However with regard to the exposure of risk in conducting the business, the Company is exposed mainly to Credit Risk and Cash Management Risk in its business operations. The Company has taken over the business of erstwhile Binny Ltd along with the respective business division employees. Their expertise in dealing with suppliers and customers has helped to mitigate the Credit Risk. The sales collections at the showrooms of the Company are mainly in the form of cash. This exposes our Company to cash management risk. In order to mitigate the same, the Company ensures efficient and secured collection at its showrooms. The cash collections are deposited in the Company's bank account the next day. The Company has also adopted stringent checks and internal controls at its showrooms. At the Head Office of the Company, each day's collections are monitored and reconciled on a daily basis. Such procedures and internal controls has helped to mitigate Cash Management Risk.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Binny Mills Limited
Report on the Ind AS Financial Statements
Opinion

We have audited the accompanying IND AS financial statements of Binny Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the IND AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the IND AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IND AS financial statements.

Key audit matters

We have determined that there are no key audit matters to communicate in our report.

Emphasis of matter

We draw attention to the following matter in the Notes to the financial statements:

Note No.34(a) with regard to case filed against the Company (Binny Mills Ltd) by Square Project Associates in respect of arrears of rent payable for the showroom at Bengaluru, the case has been dismissed by the Honourable Court of Civil Judge, Bengaluru. The Company has created provision for possible liability for rent and damages amounting to Rs.23.25 lakhs in the books and though the case has been decided in company's favour and in expectation of further litigations, the liability for rent and damages is retained by the Company in the books.

15th Annual Report 2021-2022

Note No.34(b) with regard to pending litigation in the Honourable Court of Civil Judge, Bengaluru in respect of compensation payable by the Company (Binny Mills Ltd) along with M/s SV Global Mills Limited to the legal successors of a victim who died in an electricity accident outside the showroom at Bengaluru. The amount of compensation payable by the Company is not determined as the case is pending and hence no provision is made.

Note. No.34(c) which indicates that the Company is a resulting company of the demerger scheme of erstwhile Binny Ltd and the company was not provided with the list of pending litigations for which it is liable and hence the liability if any arising out of the pending litigations will be provided for and settled as and when it arises.

Note No.34(d) with regard to case filed against the Company (Binny Mills Ltd) along with Binny Ltd and B&C Mill Ltd and in which case most of the demands raised by the Union has been decided in favour of the Union by the Honourable Additional Labour Court, Chennai. Since the liability of the company is not ascertained and the Company along with other respondents is preferring an appeal before the higher forum, no provision has been made in the books.

Our opinion is not modified in respect of above matters.

Other information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our Auditors' Report thereon. The other information included in the Company's annual report other than the financial statements and Auditor's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the IND AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information identified above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Management's Responsibility for the IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these IND AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

Binny Mills Limited

records, relevant to the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the IND AS financial statements, including the disclosures, and whether the IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

15th Annual Report 2021-2022

Materiality is the magnitude of misstatements in the IND AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid IND AS financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Binny Mills Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **BINNY MILLS LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

Binny Mills Limited

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Binny Mills Limited of even date)

- i. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (b) The Property, Plant and Equipment have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the Property, Plant and Equipment has been physically verified by the management during the year and no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company and with reference to Note no.43 in the financial statements, the title deeds of immovable properties disclosed in the financial statements are held in the name of the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii.
 - (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and coverage and procedure for verification were appropriate. No discrepancies were noticed on such verification that were 10% or more in the aggregate for each class of inventory.
 - (b) The Company has not obtained working capital limits with any Banks and financial Institutions during the year and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii.
 - (a) According to the information and explanation given to us and on the basis of the examination of the records of the Company, the Company has not provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity during the year. Hence reporting under Clause 3(iii)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanation given to us and on the basis of the examination of the records of the Company, the Company, during the year, has not made any investments or provided guarantee or provided security or provided loans or advances in the nature of loans. Hence reporting under Clause 3(iii)(b) of the Order is not applicable to the Company.
 - (c) According to the information and explanation given to us and on the basis of the examination of the records of the Company, the Company has not provided any loans or advances in the nature of loans during the year. However, in respect of advances in the nature of loans provided in the earlier years, schedule of repayment of principal and payment of interest has not been stipulated.

Binny Mills Limited

(d) Since the schedule of repayment of principal and payment of interest was not stipulated in respect of advances in the nature of loans provided in the earlier years, overdue amount as required to be reported under clause 3(iii)(d) could not be commented upon.

(e) Since the schedule of repayment of principal was not stipulated in respect of advance in the nature of loans provided, whether the said advance in the nature of loans have fallen due during the year could not be commented upon.

(f) The Company has not granted either any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence reporting under Clause 3(iii)(f) of the Order is not applicable to the Company.

- iv. The Company has not given/made any loans, investments, guarantees, and securities requiring compliance with the provisions of section 185 of the Companies Act, 2013.

The Company has provided requisite disclosures in its financial statements as to the advance made to Binny Ltd. amounting to Rs.907.77 Lakhs (including unamortised interest cost Rs.275.09 lakhs) and these are in accordance with the provisions of section 186 of the Companies Act, 2013.

- v. The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence reporting under clause 3 (v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues applicable to it with the appropriate authorities,
- (b) There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable:
- (c) There were no dues of Goods and Service Tax, Provident Fund, Employees State Insurance, Income tax outstanding on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) The company has not taken any loan or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the order is not applicable to the Company.
- (b) According to the information and explanation given to us and on the basis of the examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) According to the information and explanation given to us and on the basis of the examination of the records of the Company, the Company has not obtained any term loans. Hence reporting under Clause 3(ix)(c) of the order is not applicable to the Company.

15th Annual Report 2021-2022

- (d) According to the information and explanation given to us and on an overall examination of the financial statements of the Company, we report that no funds have been raised on short-term basis by the Company. Hence reporting under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanation given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associates as defined under the Companies Act, 2013. Hence reporting under Clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanation given to us and on an overall examination of the financial statements of the Company, we report that the Company has not raised any loans during the year and hence reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on the examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) No report under Sub-section (12) of Section 143 of the Companies Act has been filed during the year in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle-blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, where applicable and the details have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

Binny Mills Limited

- xvi. (a) According to information and explanations given to us, the Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934. Hence reporting under Clause 3(xvi) (a) and (b) of the order is not applicable to the Company.
- (b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, Clause 3(xvi)(c) of the Order is not applicable to the Company.
- (c) In our opinion and according to the information and explanation given to us, the Group does not have any CIC and accordingly reporting under Clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current and immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, provisions of Section 135 is not applicable to the Company and hence reporting under Clause 3(xx) of the Order is not applicable to the Company.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED
31ST MARCH, 2022**

1. Corporate Information

Binny Mills Ltd was incorporated as a Public Limited Company on December 20, 2007. The company was issued Certificate for Commencement of Business on February 6, 2008. The Company is engaged in the business of providing services and trading of goods. The company derives rental income by letting out on rent, its warehouses situated in Perambur, Chennai. Apart from this the Company is indulged in retail sales of textiles, from its textile division at Chennai and from the showrooms in Bangalore.

2. Basis of preparation of financial statements

(i) Statement of compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Use of estimates and judgements

The preparation of financial statements in conformity with IND AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 2A. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(iii) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (up to two decimals). The financial statements are approved for issue by the Company's Board of Directors on 30.05.2022.

2A Critical accounting estimates and management judgments

In application of the accounting policies, which are described in note 2, the management of the Company is required to make judgments, estimates and assumptions about the carrying amounts of assets

Binny Mills Limited

and liabilities that are not readily apparent from other sources. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Information about significant areas of estimation, uncertainty and critical judgements used in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

Property, Plant and Equipment (PPE)

The residual values and estimated useful life of PPEs are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the assets as investment properties or vice versa.

Current tax

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Assets

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Fair value

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Impairment of Trade Receivables

The impairment for trade receivables is done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward-looking estimates at the end of each reporting date.

Impairment of Non-financial assets (PPE)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management's judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

Defined Benefit Plans and Other long-term benefits

The cost of the defined benefit plan and other long-term benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long-term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the reporting date. The actual outflow of resources at a future date may therefore vary from the figure estimated at end of each reporting period.

3. Significant Accounting Policies

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified 12 months as its operating cycle.

b) Fair value measurement

The Company has applied the fair value measurement wherever necessitated at each reporting period.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability;
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non - financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and the best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active market for identical assets or liabilities;

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company has designated the respective team leads to determine the policies and procedures for both recurring and non - recurring fair value measurement. External valuers are

involved, wherever necessary with the approval of Company's board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosure, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the asset or liability and the level of the fair value hierarchy as explained above. The component wise fair value measurement is disclosed in the relevant notes.

C) Revenue Recognition

Sale of goods

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue on sale of goods is recognised when the risk and rewards of ownership is transferred to the buyer, which generally coincides with the despatch of the goods or as per the terms agreed with the customers.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. It comprises of invoice value of goods after deducting discounts, volume rebates and applicable taxes on sale. It also excludes value of self-consumption.

Rental income

Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease, if the escalation is not a compensation for increase in cost inflation index.

Revenues in respect of rental income and hire charges received are recognized in accordance with the terms of the agreement.

d) Property, plant and equipment

Deemed cost option for first time adopter of Ind AS

Under the previous GAAP (Indian GAAP), the property, plant and equipment were carried in the balance sheet at cost less accumulated depreciation. The company has elected to continue the carrying amount of PPE in the existing financials as the deemed cost as at the date of transition, viz., 1 April 2016.

Presentation

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs of a qualifying asset, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advances paid towards the acquisition of tangible assets outstanding at each balance sheet date, are disclosed as capital advances under other non-current assets and the cost of the tangible assets not ready for their intended use before such date, are disclosed as capital work in progress.

Component Cost

All material/significant components have been identified for our plant and have been accounted separately. The useful life of such component are analysed independently and wherever components are having different useful life other than plant they are part of, useful life of components are considered for calculation of depreciation.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognised in the statement of profit and loss as incurred.

Machinery spares/ insurance spares that can be issued only in connection with an item of fixed assets and their issue is expected to be irregular are capitalised. Replacement of such spares is charged to revenue. Other spares are charged as revenue expenditure as and when consumed.

Derecognition

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e) Depreciation on property, plant and equipment

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value. Depreciation is provided on straight line method, over the useful lives specified in Schedule II to the Companies Act, 2013.

Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded/ sold. Additions to fixed assets, costing Rs. 5,000 each or less are fully depreciated retaining its residual value.

The residual values, estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16 - Property, plant and equipment's requirements for cost model. The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Company depreciates investment property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in the period in which the property is derecognised.

g) Inventories

Inventories are carried at the lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs are determined based on weighted average basis.

h) Financial Instruments

Financial assets

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified on the basis of their contractual cash flow characteristics and the entity's business model of managing them.

Financial assets are classified into the following categories:

- | Financial instruments (other than equity instruments) at amortised cost
- | Financial Instruments (other than equity instruments) at Fair value through Other comprehensive income (FVTOCI)
- | Other Financial Instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- | Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial instruments other than equity instruments at amortised cost

The Company classifies the financial instruments (other than equity instruments) at amortised cost, if both the following conditions are met:

Binny Mills Limited

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b) Contractual terms of the asset give rise on specified dates, to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Financial instruments other than equity instruments at FVTOCI

Financial Instruments (other than equity instruments) at FVTOCI, if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Instruments (other than equity instruments) included within the FVTOCI category are measured as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the group recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the profit and loss statement. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial instruments other than equity instruments at FVTPL

The Company classifies all Financial Instruments (other than equity instruments), which do not meet the criteria for categorization as at amortized cost or as FVTOCI, as at FVTPL.

Financial Instruments (other than equity instruments) included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Name of the financial asset
Amortised cost	Trade receivables, Loans to employees, and others, deposits, interest receivable and other advances recoverable in cash.
FVTOCI	Equity investments in companies other than Subsidiaries and associates as an option exercised at the time of initial recognition.
FVTPL	Other investments in equity instruments, forward exchange contracts. (to the extent not designated as hedging instrument)

Derecognition

A financial asset is primarily derecognised when:

- I The rights to receive cash flows from the asset have expired, or
- I The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets other than equity instruments and are measured at amortised cost e.g. loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets other than equity instruments which are measured at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a

Binny Mills Limited

subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 months ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, the Company considers all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument and Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the profit and loss. The balance sheet presentation of ECL for various financial instruments is described below:

- I **Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables:** ECL is presented as an allowance, which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- I **Financial instruments measured at FVTOCI:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of the financial asset	Impairment Testing Methodology
Trade Receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.

15th Annual Report 2021-2022

Name of the financial asset	Impairment Testing Methodology
Other financial assets	When the credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL and as at amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to profit and loss.

However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

S.No.	Original classification	Revised classification	Accounting treatment
1	Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in P&L.
2	FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
3	Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI . No change in EIR due to reclassification

S.No.	Original classification	Revised classification	Accounting treatment
4	FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However cumulative gain or loss in OCI is adjusted against fair value. Consequently the asset is measured as if it had always been measured at amortised cost
5	FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
6	FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognised in OCI is reclassified to P&L at the reclassification date.

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Borrowing Costs

Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings costs are expensed in the period in which they occur.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

j) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount

are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Where there is deferred tax assets arising from carry forward of unused tax losses and unused tax created, they are recognised to the extent of deferred tax liability.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

k) Retirement and other employee benefits

Short-term employee benefits

A liability is recognised for short-term employee benefit in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund and super annuation fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plans

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Other long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

l) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

m) Provisions, contingent liabilities and contingent asset

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are discounted, if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Necessary provision for doubtful debts, claims, etc., are made if realisation of money is doubtful in the judgement of the management.

Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Contingent liabilities are disclosed separately.

Show cause notices issued by various Government authorities are considered for evaluation of contingent liabilities only when converted into demand.

Contingent assets

Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect. Contingent assets are disclosed but not recognised in the financial statements.

n) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash, which are subject to insignificant risk of changes in value.

o) Cash Flow Statement

Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

p) Earnings per share

The basic earnings per share are computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

- (a) **The Company had a pending litigation in the Court of City Civil Judge of Bengaluru, in the form of rent payable by the Company to M/s Square Projects Associates for the Company's show Room at M.G. Road, Bengaluru. The case is decided during the year in favour of the Company and the claim for arrears of rent has been rejected by the Honourable Court. However the Company has created provision for possible liability of rent payable to the extent of Rs.13.65 lakhs and for rent damages of Rs.9.60 lakhs in the books of accounts in the respective years itself. The Company is paying property tax for the Show Room at M.G. Road, Bengaluru for the period under litigation and the amount so paid is shown as receivable from M/s Square Projects Associates in the Balance Sheet. Though the case has been decided in Company's favour and in expectation of further litigations, the liability for rent and damages is retained in the books.
- (b) The Company has a pending litigation in the court of City Civil Judge at Bengaluru, in the form of compensation payable by the Company and M/s S V Global Mills Ltd to the legal successors of a victim who died in an electricity accident outside the premises of the Company's showroom at Bengaluru. The amount of compensation payable by the Company is not yet determined as the case is pending and hence no provision is made in the books.
- (c) The Company is a Resulting Company of the Demerger Scheme of erstwhile Binny Ltd. Subsequent to the Demerger, the Company was not provided with the list of litigations that are pending and for which the Company may become liable. Hence, the liability of the Company, if any, arising out of the settlement of the pending litigations, will be provided for and settled as and when the liability arises.
- (d) The Company along with management of Binny Ltd and B&C Mill Ltd had a pending litigation in the Additional Labour Court, Chennai regarding various demands raised by Chennai Perunagar Jananayaka Thozhilalar Sangam (Union) in respect of 22 employees. The case is decided in favour of union for 6 out of 10 demands raised. The liability of the Company is not ascertained and the Company along with other respondents is preferring an appeal before higher forum and hence no provision is made in the books.

Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities are exposed to such risk.

Foreign currency risk management

The Company's operations does not involve transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations does not arise. Accordingly, the Company does not have any exposure to such risks.

There are no hedged or unhedged foreign currency exposures outstanding at as March 31, 2022 and March 31, 2021.

Disclosure of hedged and unhedged foreign currency exposure

The Company does not have any exposure relating to hedged and unhedged foreign currency transactions/ balances.

Foreign currency sensitivity analysis

The Company's operations does not involve transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations does not arise. Accordingly, the Company does not have any exposure to such risks.

Interest rate risk management

The Company does not have any borrowings and accordingly is not exposed to interest rate risk which arises, if it borrow's funds at both fixed and floating interest rates.

Interest rate sensitivity analysis

The Company does not have any borrowings and accordingly there is no disclosure made in respect of interest rate sensitivity analysis.

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is not subject to major credit risk as the majority of its trade receivables are covered by means of interest free security deposit taken at the inception of the agreement.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, margin money and other financial assets excluding equity investments.

(a) Trade Receivables

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and, based on the evaluation, credit limit of each customer is defined. Wherever the Company assesses the credit risk as high, the exposure is backed by either bank guarantee/letter of credit or security deposits. The Company does not have higher concentration of credit risks to a single customer. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

(b) Cash and Cash Equivalents and Bank Deposits

Credit Risk on cash and cash equivalents, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions, who have been assigned high credit rating by international and domestic rating agencies. Investments of surplus funds are made only with approved Financial Institutions/Counterparty. Investments primarily include investment in units of quoted Mutual Funds, etc. These Mutual Funds and Counterparties have low credit risk.

Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective

Binny Mills Limited

of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and mutual funds, which carry minimal mark to market risks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

39 Retirement benefit plans

Defined contribution plans

Employees Provident Fund

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the Provident fund as well as Employee State Insurance Fund.

The total expense recognised in profit or loss of Rs. 3.68 lakhs (for the year ended March 31, 2021: Rs. 3.58 lakhs) represents contribution payable to these plans by the Company at rates specified in the rules of the plan.

Defined benefit plans

Gratuity

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness Allowance, if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The Act provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, as may be prescribed under the Payment of Gratuity Act, 1972, from time to time. However, in cases where an enterprise has more favourable terms in this regard the same has been adopted.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

15th Annual Report 2021-2022

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	March 31, 2022	March 31, 2021
Discount Rate	6.24% p.a	5.50% p.a.
Rate of increase in compensation level	4.00% p.a.	4.05% p.a.
Attrition Rate	3.00% p.a.	3.00% p.a.
Expected Rate of Return on Plan Assets	Not applicable	Not applicable
Mortality Table	IALM (2012-14) Ult.	IALM (2012-14) Ult.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

All amounts are in lakhs of Indian Rupees

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:
